4 of 4 review helpful Good but could be better By D Greenberg I found this guide very useful when I was cruising in Buzzard's Bay and Vineyard Sound. While the guide doesn't contain phone numbers or radio channels for the harbormasters paired with a smart phone you can get most of the info you need. It would be nice if it contained this info as the most recent popular cruising guide for the area was last published around New concept in navigation provides the perfect complement to your charts and traditional cruising guides. This unique cruising guide features aerial photos matched with chart segments to guide you through channels and harbor approaches. Prepared with input from local experts up and down the coast hazards, safe channels and key navigation aids are clearly labeled on photos and charts. About the Author James L. Bildner is a life long sailor and avid recreational pilot who shoots the photos for his books from his own helicopter. He owns a chain of upscale gourmet food stores in the greater Boston area and cruises the New England coast in
