By Perry Duis : The Saloon: Public Drinking in Chicago and Boston, 1880-1920 food timeline history notes state foods alaska in alaska as true for places on earth the concept of quot;traditional mealsquot; depends up time and peoples 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul The Saloon: Public Drinking in Chicago and Boston, 1880-1920:

Presents evidence that the saloon played an important role in the working class community life Focusing on public drinking in Chicago and Boston this book offers a discussion of the saloon as a social institution and a locus of the struggle between middle class notions of privacy and working class uses of public space This fine study is scholarly without being stodgy Duis embeds the saloon into the larger social history of the city and American economic history more successfully than any other work has done Duis has written the first serious historical study
