Guides):

2 of 2 review helpful Hardley Irreverent By R C Sheehy This guide is all hype and not great hype at that So it points out that there are bars and places to shop in Boston Big whoop This is nothing that any half baked hotel bell hop can t tell you nor is it the reason people visit here This book doesn t tell you anything and you re much better off using one of the better tour guides that give real information on th Looking for a travel guide that goes where other guides fear to tread One that rides roughshod over ad copy puffery to smartly deliver the real scoop on a destination s sites and attractions One that dares to be honest hip and fun Look no more Frommer s Irreverent Travel Guides are wickedly irreverent unabashedly honest and downright hilarious and provide an insider s perspective on which attractions are overrated tourist traps and which are the secret gems that From the Back Cover Full of solid insider information with just the right amount of cynicism mdash Travel Savvy magazine Are you tired of clich eacute ridden guidebooks packed with promotional fluff Then move over to the IRREVERENT GUIDES
