0 of 0 review helpful Boston unlimited tour guide and opinion By E Headley I like how Frommer's doesn't just stick with the facts but offers personal opinions of what exactly to do where to go when looking for something in accordance with your own interests. Along with this guide which is very cheap when sold as used, I highly recommend visiting Jamaica Plain Davis Square and taking the Historical Trail. Completely updated every year unlike most of the competition, Frommer's Boston features gorgeous color photos of the sights and experiences that await you. Our author, a longtime resident of Boston's North End, hits all the highlights from Fenway Park to the Freedom Trail. She's checked out all the city's best hotels and restaurants in person and offers authoritative candid reviews that will help you find the choices that suit your tastes and budget. You'll find the Back Cover Frommer's The best trips start here. Experience a place the way the locals do. Enjoy the best it has to offer. Insider tips from a longtime Boston resident to help you make the most of your visit. Outspoken
