By A. Sammarco : East Boston (Images of America) discover new luxury apartments in east boston when you live at portside at east pier youll enjoy new horizons and discoveries around every corner latin america and the caribbean many latin american and caribbean lac nations have experienced monumental growth and change in East Boston (Images of America):

1 of 1 review helpful Great Memories By Barbara C Talbot It was wonderful to revisit East Boston I was born there and lived there through the depression and WWII The pictures of all the buildings brought back nostalgic memories of the buildings that we passed walking to school or to church playing in the streets and the closeness of the people living in East Boston during a hard time when many of our sons brothers Originally called Noodle s Island East Boston was once comprised of five islands connected by marshland Today many people identify East Boston as the location of Logan International Airport but it is really much more than that From colonial times through the late twentieth century the neighborhood of East Boston has experienced significant developments in the fields of city planning transportation and urban development Until the nineteenth century East Boston w
