0 of 0 review helpful An excellent guide to the Mid Atlantic coast for nature lovers By julier This is an excellent book The information in it is as helpful as when it was first written Bill Perry is an expert in wildlife He worked with Ansel Adams helped to set up the Rock Creek Nature Center in DC which was used as a model for other nature centers around the country and he helped plan many parks around the country the sierra club naturalist guide contains identifying information on most of the region's typical life forms and also explain the ecology of the whole From Library Journal The newest addition to this series occupies a middle ground between general seashore books such as

Philip Kopper s The Wild Edge LJ 10 1 79 and Nor man A Meinkoth s The Audubon Soci ety Field Guide to North American Seashore Creatures
