the museums collection galleries on the second and third floors feature more than 2000 artworks from all the major cultures of asia artworks in the galleries are although today principally a museum of cultural art objects and antiquities the british museum was founded as a quot;universal museumquot; its foundations lie in the will Medieval Objects in the Museum of Fine Arts, Boston: Metalwork:

From belt buckles and bracelets to baptismal fronts and religious statuary this catalogue examines and illustrates 65 pieces of medieval metalwork in the MFA's collection. An essay by research scientist Richard Newman analyzes the materials and techniques of the medieval metalworker while a section on objects of doubtful authenticity casts light on the increasingly sophisticated methods of determining an object's authenticity.
