Provincetown Pocket Book: Including Truro and Wellfleet (2001-2002):

2 of 2 review helpful Provincetown Pocket Book don't leave home without it By A Customer This concise guide book was a treasure and saving grace for planning the precious vacation week I had planned for Provincetown and nearby

Outer Cape towns From the events calendar to the business directory I was able to hone in on identifying my areas of interest and must see sites and activities in one short read of the book The Provincetown Pocket Book is the definitive guidebook to the towns of Provincetown Truro and Wellfleet In addition to articles celebrating the art history landscape and rich culture of the Outer Cape you ll find information about lodging restaurants theater museums and galleries sightseeing and recreation biking and hiking whale watching beaches and maps You ll also find a Calendar of Events a Directory of local businesses and a Quick Guide to practical Excerpt copy Reprinted by permission All rights reserved When I try to account for the enduring and remarkably fertile attraction the Outer Cape has had for writers over the centuries it seems to me to have something to do with this pervasive sense of both
