0 of 0 review helpful Remembrance and Light By Max S Remembrance and Light is a beautiful book of black and white photos taken on Martha's Vineyard before 1984 by a superb photographer Alison Shaw Unfortunately it is out of print and difficult to find in bookstores The used copy which I purchased is in very good condition for its age The seller was very accurate and fair about the condition of the book and expedited t Renowned photographer Alison Shaw and legendary editor Henry Beetle Hough capture the spirit of Martha's Vineyard
