nonprofit conservation organization that preserves for public use and enjoyment properties of exceptional scenic the massachusetts bay colony was named after the indigenous population the massachusett likely derived from a wpanak word Traces Of Thoreau: A Cape Cod Journey:

2 of 4 review helpful Didn t work for me By Sue Traces of Thoreau is a pretentious self congratulatory narrative and rather a bore as a result For this reviewer it failed both as a personal story and as a descriptive work about Cape Cod The author just isn t as compelling to us as he clearly finds himself I strongly disagree with the editorial reviewer who said that Mr Mulloney largely absents himself fro In Traces of Thoreau Stephen Mulloney faithfully follows his 1849 walking tour from Orleans to Provincetown vividly describing not only the differences between yesterday s Cape and today s but also their timeless similarities In duplicating Thoreau s journey Stephen Mulloney captures views of the Cape rarely seen by tourists and allows the reader to explore and contemplate the Great Outer Beach as if for the first time Mulloney s entertaining travelogue gives us nat From Publishers Weekly No doubt many people have read Thoreau s Cape Cod and pledged to follow his footstepsAto walk from Eastham to Provincetown and then make a book on Cape Cod So you ve got to admire Mulloney s tenacity even if his version of his journey
