Museums of Boston: A Guide for Residents and Visitors (Westholme Museum Guides):

2 of 2 review helpful Incredibly useful comprehensive and suprising By Edward Boches Great book for anyone interested in Boston Museums They re all here Including those you never knew about I ve been visiting Boston museums regularly for years and learned about places I never even knew existed If you have even an ounce of curiosity you ll never be bored on a rainy Sunday again Even before there was a United States of America the city of Boston Massachusetts had begun to establish itself as an intellectual and cultural centre At the forefront of colonial dissent 17th century Boston attracted theologians philosophers and writers This work provides a curator s eyeview of Boston with maps and transportation guides About the Author Nicole Berard is a professional writer and native Bostonian
