3 of 3 review helpful It should be called Martha's Vineyard Nantucket Book By Marina Smith Being familiar with the Cape I bought this for a friend sooo disappointed Very little information on biking on the Cape no good maps and very limited on restaurants and towns like Wellfleet Would return it if I could 0 of 0 review helpful Good info bad pictures By Wanda H Gi Ray Bartlett offers his extensive knowledge on this classic New England destination from fried clams and proper chowda rdquo to canoeing windsurfing and sailing Bartlett narrows in on the unique charm of the region where travelers can sit on the beach alongside celebrities and then go eat fried clams on picnic tables and catch a drive in movie He also expands greatly upon the many options for outdoor recreation in the area With details on accommodations d About the Author Ray Bartlett is a true Cape Codder Except for college and a brief two years in Japan he's lived on the sandy peninsula his entire life He began his travel writing career at the age of 18 when he jumped a freight train for 500 mile
