1 of 2 review helpful Exploring the hidden Charles By Kathy McLaughlin This isa great book I bought it for my husband who is a Scoutmaster for boy scouts and wanted more information about the Charles River Explore the Charles and its shores by canoe or kayak on foot or on bike and learn some natural and cultural history along the way com There is much more to the Charles River than perspiring college kids sculling to the insistent chant of the coxswain Michael Tougias has been loving and exploring the Charles all 80 miles of it for 20 years now finding secluded towns coves marshes
