2 of 2 review helpful Easy to use and very thorough By Karen Wheless This is the best map I ve seen unlike many other maps it includes more than just a few of the main attractions When I was in Boston on a trip I suddenly needed to find a shoe store within walking distance of my hotel To my surprise I found one listed on my MapEasy map The map is large so it s a little bit hard to use while you re walking around MapEasy s Guidemap to Boston shows detail maps for Faneuil Hall Marketplace Newbury Boylston Cambridge Out of Town and the Subway It is a location map and guidebook in one Each hand drawn Guidemap contains useful facts on hotels and restaurants as well as information regarding shops museums and attractions MapEasy s Guidemap to Boston is made of a waterproof tear resistant material
