massachusetts amc hiking guide series books on the best hiking home of the appalachian trail massachusetts trail guide 8th has 6 ratings and reviews now completely revised and updated the massachusetts trail guide is the most comprehensive g Massachusetts Trail Guide, 8th: AMC Guide to Hiking Trails in Massachusetts (AMC Hiking Guide Series):

5 of 5 review helpful Good but not spectacular By nehiker I own the 7th edition which includes Rhode Island in the title and have used the book primarily in Western MA The guide is pretty good but certainly not on the level of the AMC White Mountains Guide Only one of the maps for Mt Greylock State Reservation is of high quality the rest look more like sketches Only a portion of the trails described have any maps Now completely revised and updated the Massachusetts Trail Guide is the most comprehensive guide available to the trails of the Bay State This old standard in the trusted AMC Guide series provides comprehensive trail information county by county making a lot of overlooked backcountry accessible Designed to survive trail use and pack pockets Backpacker magazine Like all AMC
