The great Italian master of black and white photography Mimmo Jodice was commissioned by the Massachusetts College of Art to capture the heart of contemporary Boston highlighting the soul of this once maritime town residence of New England's cultural and historical elite and now home to a surprising array of innovative architectural design and urban renovation. Jodice's challenge was to portray Boston's past and its future as a unified whole. A powerful and innovative About the Author Mimmo Jodice is considered a modern living master of black and white photography. His work is well established worldwide on the basis of his photographic studies of Naples where he resides and Paris. His most recent book is *Mediterranean*.
